Gulp. Did the Chamber change the time of the ceremony...or is Leron looking for a way out?

Kerry,

I had planned to come to the ceremony at the island. We have a WOF ceremony that day at 12:30 so I'm not going to be able to make the luncheon. Please give Sarah my best.

Greetings Board,

Please find attached the invitation to the luncheon to celebrate Sarah Besley's contributions to Hollywood.

We are not going to try to gather at the LaBrea median that day (the benches are not ready yet)– we will just meet for lunch that day. I will be preparing a special slide presentation...a trip down memory lane.

**Please RSVP directly to Lorin as to your attendance.**

[lorin@hollywoodbid.org](mailto:lorin@hollywoodbid.org)

We are asking for checks to cover the lunches – and we will be comping our guests and public officials. If anyone would like to sponsor a greater portion of the luncheon, I will take advantage of that!

Thank you for coming together to thank Sarah – we never took the opportunity to do this, and I know it will be a memorable day for her!

Kerry

**Oh, I didn't realize it was at a different time. They are usually at 11:30AM. Then that changes his availability and he can be there at 11:15/11:30AM.**

Yes, we had to change the time of the ceremony because the Chinese Theatre is also doing a hand and footprint ceremony that day and we didn't want them to be at the same time. Ceremony starts at 12:30 and usually goes 30 to 45 minutes. Maybe we can drop by at the tail end of your luncheon to say "hi"?

Hi Leron, yikes. Mitch O'Farrell is going to be at that walk of fame ceremony and he was planning to be at the luncheon by 1215 to present Sarah her resolution. Is the time changed?

Hi friends, that won't work. The luncheon starts at noon – and the whole purpose is to give Sarah her commendation and to thank her. The last thing I want to do is rush through that. Since the bench has not been installed yet, we are not going to the LaBrea median – so the event doesn't start until noon. I think (rather selfishly) that the Chamber changed their MO on this one – and I'm feeling like I have first dibs on our CM.

Hmmm.
